	Arts courses	AT 100, MU 100 or TH 100 (Choose one)
CS 102	Prerequisite Computer Course	CS 205
***	(Choose one) Foreign Language	SP 101 and SP 102
	or	
***	Computer Science	CS 305 or 350

* PY 310 will transfer as equivalent to PY 352 at the UA. The course will also carry the Social, Behavioral Sciences (SBS) core designation.

** All students are required to complete a six hour literature sequence. Students must also complete three hours in a History course to satisfy core curriculum and degree requirements.

** In order to graduate from UA, students must have 8 semester hours of Foreign Language or 6 semester hours of Computer Science (CS) designated courses. NUR 319: Nursing Informatics is a CS designated course required by the Capstone College of Nursing. CS 102, or an equivalent introductory course, is required prior to NUR 319 and should be completed by students who choose to complete either the Computer Science or Foreign Language option. CS 202 is available at UA as an upper level CS course available through the internet. See <http://distanceeducation.ua.edu/Goals/default.htm>
