This printed program lists students who held the status of degree candidates during the term and may, pending the outcome of final examinations and final grades, become graduates. Therefore, it should not be used to determine a student's academic or degree status. The University's official registry for conferral of degrees is the student's permanent academic record kept by the Office of the University Registrar, 206 Student Services Center, Box 870134, Tuscaloosa, AL 35487.

Leroy McAbee Sr., a native of Henagar, Alabama, is the oldest son of Homer Roy and Sarah Mae McAbee. He attended school in Sylvania, where he graduated in 1949. After graduation, he served in the Army with Combat Engineers in Korea from 1950 to 1952. After his discharge from the military, McAbee worked on various construction projects across the country and eventually enrolled at The University of Alabama, thanks to his sister, Doris, where he earned a bachelor’s degree in mechanical engineering in 1961.

A year later, he founded McAbee and Company, which began as a small mechanical contractor and engineering company. The company was incorporated in 1972 as McAbee Construction, Inc. Under McAbee’s leadership and with a team of dedicated employees, it has become one of the largest heavy industrial contractors in the Southeast. The company works in all types of manufacturing facilities performing piping, mechanical work, equipment erection, steel erection, concrete work and other related jobs.

McAbee is a civic-minded individual whose contributions have always been directed to the betterment of the community. He works closely with authorities to promote West Alabama in an effort to attract industry to locate in this area. Leroy McAbee Sr. has served and been honored in the following capacities:

- President’s Cabinet, The University of Alabama
- Board of Visitors, College of Commerce and Business Administration, The University of Alabama
- Capstone Engineering Society, The University of Alabama
In November of 2003, he was awarded an honorary doctorate from The University of Alabama Culverhouse College of Commerce and Business Administration.

Outside of business, Leroy McAbee Sr. is charitable, strongly supporting such organizations as United Way, Boy and Girl Scouts, Boys and Girls Ranch, heart fund, cancer fund, hospice, the education system, volunteer fire departments, fire and police department benefits, and many others. He established the McAbee Foundation for the purpose of sponsoring scholarships for qualified students to attend The University of Alabama Engineering School and the Leroy McAbee Sr. Family Foundation for the purpose of contributing to organizations dedicated to helping the people of West Alabama.

McAbee acknowledges that the guiding force of his success was his deceased wife, Ruth. He was married to the former Babe Ruth Barger, secretary/treasurer of their company, for over 50 years. Mr. McAbee lives in Tuscaloosa and has a son, two daughters and eight grandchildren.

COMMENCEMENT CEREMONY DECORUM AND COURTESY

The University of Alabama Commencement is marked by both joy and dignity. Conferring of degrees signifies long, hard work by all involved: students, faculty, administrators, parents and spouses. Students and guests are expected to maintain a measure of decorum equal to the occasion.

The University community requests that audience participation be of respectful celebration honoring the commitment to learning and the fulfillment of dreams shared by all degree candidates who walk across the stage. This element of respectful celebration also extends to the parents, guardians and spouses whose labor and support brings pride to the fulfillment of these dreams.

ABOUT THE CEREMONY

The processional signifies the beginning of the commencement ceremony. The commencement marshal presides over the academic procession; leads the platform party to the stage; and signifies the closing of the ceremony by leading the platform party from the stage. As the processional music begins, the procession led by the candidates, then the platform party, will enter the arena floor and go to their designated seating. The audience should rise once the processional music has begun and remain until the welcome.

Commencement participants are identified by their caps and gowns. The doctoral gown includes two crimson University of Alabama seals on the front panel of the gown, while the traditional doctoral bars are piped with crimson. Masters gowns have the UA seal embroidered in gray on the front tabs, and undergraduate gowns have the script A embroidered in red on the front tabs.

Members of The University of Alabama Board of Trustees wear black gowns trimmed in crimson velvet. The commencement marshal wears a charcoal gray gown trimmed in crimson velvet. Graduates may be identified by the color of the tassel on the black mortar board which signifies the school, or if they are receiving an advanced degree, the color of the band on the hood, which signifies the field of study.
The University of Alabama awards degrees with honors to undergraduate students in all schools and colleges who, throughout their academic careers, consistently achieved meritorious scholastic standing. These designations are summa cum laude, magna cum laude and cum laude. Summa cum laude is the highest academic distinction awarded. Degree candidates with honors wear stoles in the traditional colors of their school or college. Honors designations are calculated on the previous semester’s grade point average. The honor announced, depending upon calculation of final grade point average, may change, or in some cases, the degree candidate may not actually graduate with an honor designation. Undergraduate degree candidates wearing the crimson mortar board have achieved a perfect 4.0 grade point average for all of their University of Alabama coursework. Silver cords indicate the University Honors Program, and purple cords represent Computer-Based Honors.

At the conclusion of the ceremony, the audience will rise for the singing of the “Alma Mater” and the recessional. The words to the “Alma Mater” are printed on the inside back page of the program. The recessional is led by the platform party, followed by the faculty and the candidates.

The University of Alabama conditionally confers degrees upon all candidates for the degrees of educational specialists through undergraduate. Candidates for doctor of education, doctor of musical arts, doctor of nursing practice and doctor of philosophy degrees are actual degree recipients at the time of the ceremony.

Alma Mater

Alabamah, listen, Mother,
To our vows of love,
To thyself and to each other,
Faithful friends we’ll prove.

Chorus
Faithful, loyal, firm and true
Heart bound to heart will beat.
Year by year, the ages through
Until in Heaven we meet.

College days are swiftly fleeting,
Soon we’ll leave their halls
Ne’er to join another meeting
Ne’ath their hallowed walls.

Chorus

So, farewell, dear Alma Mater
May thy name, we pray,
Be rev’renced ever, pure and stainless
As it is today.
